NOTE—Contn. Sheet.

Submitted to His Highness.

These papers relate to the action proposed by the Government of India to be taken by us in relation to enemy subjects in Mysore, male and female.

The Residency stated that they are recommending to the Political Department the reinternment of certain males who are in Mysore and the sending of certain females to a parole settlement in Madras. It was also suggested that pending receipt of orders from the Government of India, orders may be served on them restricting them to their houses.

The Inspector-General of Police in Mysore, who was asked to take action on the lines indicated by the Residency, has intimated that he has done so.

The restrictions imposed on enemy subjects not intended to be re-interned or sent to the parole settlement have also been made more rigid, as suggested by the Residency.

These papers are submitted for His Highness's gracious information.

Regarding the I.G.P's letter requesting instructions re: the families of Schmidt and Mrs. Doering the following facts are submitted for consideration and orders.

Mrs. Schmidt is not a German and Miss. Schmidt is a nurse in the K.E. Hospital In their case it does not appear to be necessary to send them to the parole settlement.

In the case of Mrs. Doering. If Mr. Doering is re-interned, the question of maintenance to her may arise and it is a point for consideration whether the Resident will agree to give her maintenance allowance if she is not sent to a parole settlement.

In the case of Schmidts, on the last occasion no maintenance allowance was paid to them and they are in a position to maintain themselves.

SECRET AND IMMEDIATE. No.F.121/1940.

From The Secretary to the Resident in Mysore,
Bangalore.

To The Chief Secretary to the Government of Mysore,
Bangalore.

Dated, Bangalore, 25th May 1940.

Subject:- Internment of Enemy Subjects.

Sir,

I am directed to inform you that the Government of India consider that cases of enemy subjects - male and female - at liberty should be reviewed for action on the following principles:-

First - Continuance at liberty of released internees should be determined not by absence of evidence against them, but by their satisfying the authorities that they can safely be allowed at liberty.

Second - As regards women, majority being Nuns or dependents of refugees are generally considered harmless but presence of others particularly wives of internees in ports or other places of political or strategic importance is embarrassing or worse and should no longer be permitted.

Third - As between re-internment at Ahmednagar and present position middle course of restriction to specified localities in a sort of parole settlement on a provincial basis under small supervisory staff should be considered.

2. The Government of India have therefore issued the following instructions :-

(1) Where re-internment of a male at Ahmednagar is considered essential, recommendation should be made by this Residency for the cancellation of the Exemption Order releasing him from Ahmednagar, the individual concerned being meanwhile restrained by civil authority under paragraph 7 or paragraph 8 of Foreigners Order 1939 or if claiming British nationality by birth, under Defence of India Rule 129.

(2) Recommendation under (1) should be accompanied by report of place of birth and passport particulars of each individual with a view to order under Defence of India Rule 26 or Foreigners Act as appropriate.

(3) issue of general orders under section 3 (2) (e) of Foreigners Act, 1940, prohibiting with effect from specified date residence without special permit in writing of enemy foreigners in specified ports or cities or places where troops are stationed

(4) issue of instructions to civil authorities to issue permits under (3) only to individuals who have bona fide employment in ports etc. and about whose harmlessness, the authorities are satisfied

(5) selection of suitable site to which females and males whose reinternment at Ahmednagar is not necessary may be restricted in a form of parole settlement

(6) issue in due course of orders by civil authorities under para 8 of the Foreigners Order, 1939, or by Provincial Governments under the Foreigners Act, 1940, restricting individuals to locality selected under (5)

(7) appointment of European police Inspector and small staff to supervise parole settlement and making of simple orders governing residence of enemy foreigners there and

(8) cancellation where necessary of exemptions granted by civil authorities from Part II of Enemy Foreigners Order, 1939,

and reinforcement of restrictions thereunder by additional orders under paragraph 8, Foreigners Order 1939, or section 3 Foreigners Act, 1940.

3. The Resident is taking action in the Civil and Military Station on these lines and would be grateful if the Government of Mysore would conform as regards enemy subjects in the Mysore State.

4. Arrangements are being made with the Government of Madras to permit persons in the Civil and Military Station and the Mysore State, who it is considered should be placed ina parole settlement to be sent to the settlement to be set up by them.

5. As regards enemy subjects in the Mysore State, the Resident is recommending to tne Political Department that the following males registered in the Mysore State should be re-interned at Ahmednagar:-

(1) No.4 Bhadravati - Maronne now living in the C & M Station.

(2) No.6 Hassan - Von Dulong.

(3) No.25 Mysore - U.G. Exner

(4) No.6 Shimoga - Kriegbaum.

(5) No.9 Shimoga - Homolka

The Resident has recommended that the following females registered in the Mysore State should be sent to the parole settlement :-

(1) Reg. No.3 - Shimoga - Mrs. Maronne, who is now in the C & M Station, wife of No.4 Bhadravati.

(2) Reg No.5 Shimoga - Mrs Kriegbaum, wife of No.6 Shimoga.

(3) Reg No.10 Shimoga - Mrs Homolka, wife of No.9 Shimoga.

6. Pending receipt of orders from the Government of India the Resident is restricting to their houses under para 2 (1) above all enemy foreigners both male and female whom he has recommended for re-internment or for the parole settlement.

A copy of the Civil Authority order which is being served on all such persons in the Civil and Military Station is enclosed for information. The Resident would be grateful if similar orders could be served on the morning of 26th May on Mr. and Mrs. Kriegbaum, Mr and Mrs. Homolka and Messrs. Exner and Von Dulong.

7. In view of the general tightening up of restrictions on all enemy foreigners, the Resident is of opinion that restrictions on Aryan German subjects whom it is not intended should be re-interned or sent to a parole settlement, should be reviewed and if necessary increased to the maximum consistent with the carrying out of their legitimate duties and would be glad to be informed of the orders passed in such cases.

8. The cases of non-Aryan enemy subjects are being reviewed individually in the Civil and Military Station and the necessity for the imposition of further restrictions considered and it is suggested that similar action should be taken in the Mysore State.

9. It is proposed to arrange shortly to concentrate all German nuns in the convent of the Good Shepherd, Civil and Military Station, and St. Martha's Hospital, Bangalore City, and to restrict them to the precincts of these two institutions. This will be done informally through the ecclesiastical authorities by way of a transfer of personnel. It is requested that civil authorities be instructed to facilitate such transfers as may be necessary and to restrict the enemy nuns concerned to the precincts of St. Martha's Hospital.

I have the honour to be,

Sir,

Your obedient servant,

Macaw.

My dear Kesavaiengar

It is necessary to prevent the publication of Radio news of German origin in public places in order to prevent the spreading of false rumours. In the Civil & Military Station, this is being done by warning the proprietors of hotels, tea-shops &c., and those in control of public loud speakers , not to tune to German stations.

I propose to issue the enclosed letter to District Superintendents of Police, to take similar action in respect of Receiving sets in hotels and other public places.

I request the approval of Government for the issue of such instructions.

A copy of the Defence of India Rules referred to in the circular letter is placed in the file for ready reference.

I request that the file may be returned to me with the orders of the Government.

Yours sincerely

My dear Kesaviengar,

ENEMY SUBJECTS.

Kindly refer to your D.O. No. D.2576 dated 30th May 1940.

In paragraph 7 of the Residency letter No. F.121/1940 dated 25th May 1940 restrictions were suggested in respect of "Enemy Aryan subjects whom it is not intended should be re-interned or to be sent to a parole settlement." The restrictions were thus intended both for male aliens and for female aliens. In my letter to the District Superintendent of Police, Mysore, submitted to Government for approval, I had omitted to impose restrictions on Mrs. Schmidt, Mrs. Doering, Mrs. Chimani and Miss. Schmidt (the un-married daughter of Mr. Schmidt) under the impression that movements of only male aliens were to be restricted. I am now instructing the District Superintendent of Police, Mysore, to issue similar restrictions on the ladies also, i.e. restricting their movements to Mysore City and the use of prohibited articles except motor car.

I am also instructing the District Superintendents of Police, Bangalore and Bangalore City to restrict Messrs. Alfred Stern and Deutsch Aloysius to their bungalows pending orders on my letter No. - F.C. 333/39-40 of yesterday.

Yours sincerely,

2. The Hon'ble the Resident proposes that the nuns in St. Michael's Convent, Krishnarajpuram, and the Good Shepherd Convent, Mysore, since it is understood that they are too old to do any harm, should be left where they are, provided they are confined to their respective convents and the Mother Superior vouches for them. I enclose for the information of Government copy of a letter dated 28th May 1940 addressed by Dr. G.H. Mees, Varkala to Lt. Col. G.P. Murphy, Agent to the Governor-General, Resident Madras States, Trivandrum, to accord permission to Mr.U.G.Exner, Registration No. 25 of Mysore, to permanently change his residence address to Varkala under the circumstances stated therein. Mr. Exner on his application to the District Superintendent of Police, Mysore, was given a travel permit to stay at Kanhangad with Swami Ramdoss up to 1-6-40. In the meanwhile, the District Magistrate of South Canara decided that Mr. Exner should not stay in his District beyond 1-6-40. Accordingly, he was intimated by the District Superintendent of Police that the travel permit cannot, under any circumstances, be extended beyond 1-6-40 and that he should return to Mysore, on the expiry of the period. So he returned to Mysore and as Mr. N. Rama Rao, Retired Director of Industries and Commerce in Mysore, with whom he was staying did not like that he should continue to stay with him as before, he changed his residence to the Modern Hindu Hotel, Mysore, where he is staying now.

Dr. G.H. Mees is ascertained to be a Dutchman from Holland residing at Varkala ~~xxxxxx~~ owning an estate of 36 acres and building bungalows. He is a Doctor of Laws and a Master of Arts of the Cambridge University. In 1927, when Mr. Exner visited Holland, he was introduced to Dr. Mees.

Dr. Mees has an idea to build up an academy for the study of Culture and Religion on his lands at Varkala.

Mr. Exner while in Holland from 1931 to 1936, was practising

as an Architect and Interior Decorator and Dr. Mees wants him to go to Varkala to assist him in the construction of his works and so he has now applied for the permanent change of residence and address to C/o Dr. G.H. Mees, Varkala.

Yours sincerely

Letter dated 28th May 1940, from Dr.G.H.Mees, Varkala(Travancore), to Lt.-Col.G.P.Murphy, Agent to the Governor General, Resident, Madras States, Trivandrum.

Dear Sir,

I went to Trivandrum hoping to be able to lay a matter before you whihh is rather urgent.

It concerns an old friend of mine, a German, Mr.U.G.Exner, known to me since many years. He was released from internment by the Darling Committee, mainly on the grounds that he lived and worked in Holland from a time previous to the appearance of Hitler in Germany's public life, and that he is strongly anti-Nazi and condemns the cruelty and agression of the present regime as much as we do. I knew him in Holland(I am a Netherlands' subject) and know that his sympathies and thoughts are more in sympathy with Holland than with Germany as it has become and that the recent invasion has hurt him very much.

Mr.Exner was in Mysore Govt. Service(as Consulting Interior Architect)till he was interned. He is at present in Mysore and has no place to go and no means. I would spare him the ordeal of being interned again together with unpleasant Nazi characters. I have no objections and would be glad to giving him work in my place. In fact, I wrote this to the Committee on enquiry and my offer was one of the conditions of his release. I called on Mr.Exner last week to join me here.

I write to ask your permission for allowing Mr.Exner to stay with me in Varkala. I shall be personally responsible for his conduct as long as the war will last, of course, as long as I shall be here myself.

If you would consider it proper to give your permission, kindly let the D.S.P. in Trivandrum(whom I saw) and the D.S.P. in Mysore be informed that permission is granted.

I understand the matter is very urgent.

I am sure you will understand the situation. Thanking you in anticipation of a few words, I remain, Sir,

Your most faithfully,
Sd. Dr.G.H. Mees, M.A., LL.D.,
Varkala, Travancore.

Sir,

Flag 'H'

With reference to your No.5541-43/CB dated 11th June 1940 regarding the above subject, I have the honour to report for the information of Government that the marginally noted individuals were handed over to the Commissioner of Police, Civil & Military Station, Bangalore, on the night of 15-6-40 for being despatched to the Internment Camp.

Bangalore City.
1. Mr. Alfred Stern.
Mysore.
2. Mr. U.G.Exner.
Hassan.
3. Mr. B.Von Dulong.
Shimoga(Bhadrava-thi).
4. Mr. R.Homolka.
5. Mr. W.Kriegbaum.

It is also reported by the Superintendent of Police, Shimoga District, that both Mr. Homolka and his wife gave a lot of trouble to the Police as they wanted that the whole family should be sent to the Detention Camp, and that Mrs. Homolka had to be taken out by force and despatched. Further, it is stated that Mrs. Homolka is giving much trouble to the Police Staff posted there to keep a watch over her. The Superintendent of Police, Shimoga District, suggests, under the circumstances, all the ladies, viz. Mrs. Kriegbaum, Mrs. Homolka and Miss Homolka may be removed to parole settlement.

As the ladies complained that they were in need of some money for their maintenance, the Superintendent of Police, Shimoga District, recommends that action may be taken for the

the grant of maintenance allowances to them as before. Copy of the Superintendent's letter No.279/39-40 dated 15th June 1940 is sent enclosed for reference.

In confirming the marginally noted telegram of even date, I have the honour to state that Messrs. Mr. Homolka and his wife gave lot of trouble as they wanted that the whole family should be sent to the detention camp. Mr. Homolka had to be taken out by force and despatched. Mrs. Homolka is giving lot of trouble for the staff that is posted there to keep a watch over her. I think it is advisable to shift both the ladies, Mrs. Kriegbaum and Mrs. Homolka with Miss Homolka (Mrs. Homolka's daughter) to some detention camp.

Both Mrs. Homolka and Mrs. Kriegbaum are complaining that they have got no money and that they urgently want some money for their maintenance. I request you to kindly take action to provide them the necessary maintenance allowance as was done on the last occasion.

My dear Chesavaiengar,

I enclose copies of letter No.S.B.54/40-41 dated the 13th August, and its enclosures, from the District Superintendent of Police, Mysore, and would suggest that the Residency may be asked to consider the removal of the Rev. Bros. Romulus and Calixtus to the Parole Camp at Yercaud.

Letter No.S.B.54/40-41 dated 13th August 1940 from the District Superintendent of Police, Mysore, to the Inspector General of Police in Mysore.

I have the honour to state that Rev. Brother Romulus (German Reg.13-Mysore) and Rev. Brother Calixtus (German Reg.17 - Coimbatore - transferred to Mysore) who are residing at Nagavalli, Chamarajanagar Taluk are of late manifesting their pro-German sympathies.

From confidential enquiries made, this is confirmed. Copies of the statement of Father D'Souza, R.C.Mission, Nagavalli Chamarajanagar Taluk, the report of the District Special Branch Sub Inspector, and the report of the Police Inspector, Chamarajanagar Taluk are submitted herewith for kind perusal.

Both Rev. Brother Romulus and Rev. Brother Franz Rohl Calixtus had been interned on the outbreak of War but they were released by the Darling Committee in December 1939.

Restrictions (Vide Govt. of India instructions regarding Enemy Aliens in time of War) have been imposed on them. No travel permit is being issued to them since May 1940. Yet their activities are not desirable.

Under the circumstances, it is expedient to have them interned as early as possible. I therefore solicit orders in the matter.

Statement of Father D'Souza, R.C.Mission - Nagavalli - Chamarajanagar Taluk.

Rev. Bro. Romulus is exciting the people by saying that even if the Germans were to win the war, there would not be any difficulty for the people because they would look after them better than the English.

He reads the "HINDU" paper and whenever there is some set back for the British, he is immensely pleased. He will laugh and laugh over the reverses to the British and tells the people the same thing.

Rev. Bro. Calixtus joins with him and both of them will be talking in German while reading the Hindu. They comment adversely on the British. They are holding Hitler with great respect. Sometime ago, Bro. Romulus expressed to me that he wished to be interned so that he may not be considered as pro-British by Germany later on.

Re: Rev. B.Romulus a German residing at Nagavally.

I beg to report that as per kind instruction, I made enquiries as to the activities of the above individual at Chamarajanagar, Hebsur, Diddalli and Hallipur. I spent two hours with Mr. Romulus and Mr. Calixtus this morning posing myself as a School Teacher at Tayur.

At Chamarajanagar, I met Mr. Venkatasubbasetty alias Deshasetty a leading local, known well to Mr. Romulus. It is learnt from this person, that Mr. Romulus has many a time told him while there was casual talking regarding War, 'that Germany is sure to win and that the whole country will go to German'. This person says that Mr. Romulus has many a villager under his control by telling them that Germans will have the rule and he(Mr.Romulus) as a German would help them.

(This person has spoken before the Inspector of Chamarajanagar).

I met one Abdulla S/O. Khader Sab, aged 40 years at Diddapur and when I questioned him about Mr. Romulus, he says that all the villagers fear to face that person and that he (Mr.Romulus) openly tells that 'within a short period his people (Germans) would win in the War and come away all here'

I proceeded to Hebsur village where Mr. Romulus is learnt to have had a fight. Many stories re: the rowdy activities of Romulus are being told in this village. So far his expressions regarding his countrymen, locals, Viz. Patel Kaliah, 2.Sanjeeva Gowda, s/o. Basave Gowda, 3. Chikkamadegowda, s/o. Kusegowda, 4.Abdul Khader s/o. Peersab and 5.Subbe Gowda s/o- Dunde Gowda and several others not interested in any of the party feelings state that Mr. Romulus has begun to threaten the villagers a lot and he is telling 'There will be a bomb to the village. Just as Hitler is crushing his enemies, I will look after you all'. The villagers refer to make enquiries in the surrounding villages

villages, viz. Alur, Andrakally and Kokkanahally and say that most of the villagers are made to understand that Germans have almost won the War and they come all over here.

Being introduced as a teacher, I was engaged with Messrs. B.Romulus and Brother Calixtus. Mr. Romulus was throughout talking with me on many subjects. When I casually referred to the present papers and said that Germany has been loøsing many Airplanes, he said immediately, 'What do you know about Germany? Even if it loøses 100 Airplanes every day, it is no matter since 200 Aeroplanes are being manufactured every day at Germany and materials for the manufacture are ready'.

He said that he was an Engineer at Germany in Aerodromes and he knows for certainty that Germany is very strong. When I referred to the Great War and as to the failure of Germany in the War, he said 'If you had said such a thing in Germany you would have been shot dead. Germans were not defeated. Pamphlets were thrown calling for peace and there was some deceipt while peace terms were drafted and Germans could never have been defeated even in the Great War'.

When I again said that papers 'News of recent days are not in favour of Germany, he said 'That is not the way to make out as to the strength of Germany. Note the places where English or Germany proceed and throw bombs and you will note there is progress of Germans since they have been going further and further'.

Mr. Calixtus was mildly supporting the versions and told that the Englishmen are the off-shoots of Germans. This person is not ferocious in hisx talk but Romulus givesclear feeling of pro-German and also expresses hatred towards British. When I flattered him, he gave me four of his photos. I feel he has a number of photographs in his box.

I submit that I am convinced to bring to kind notice that he has been almost doing a propaganda with the surrounding villagers saying that Germans have almost won and British are defeated. His expressions and sympathy are of clear pro-German. In addition to

to all this, I learn that he takes law into his own hands and behaves very rudely with the villagers making them to understand that he being a German, he has all help. I have submitted herewith the photographs and pictures got from him.

Sub Inspector. 12-8-1940.

Copy of the report dated 11-8-1940 from the Police Inspector, Chamarajanagar Taluk.

Rev. Bro. Romulus and Calixtus of Nagavalli are present. It is ascertained from confidential enquiries that Rev. Bro. Romulus of Nagavally is expressing of late sentiments of pro-German with ryots of Diddapur and Hebsur stating " ಜರ್ಮನ್ ಸಾಂಕ್ಷನ್ ಬಂದು ಬಿಡುತ್ತೆ. ಯಾರಿಗಾಗಿ ಏನೇನು ಕಿನುಮಾಲು ಬೇಕೋ ಮಾಡಿಸಿಕೊಡುತ್ತೇನೆ " (German Government will come. I will get whatever facilities are needed by any one). He is also addicted to take law into his own hands and imposes on ryots dictating terms in respect of land disputes. It is also made out during the enquiry of his petition that his feelings are of pro-German.

SIR,

With reference to your letter No.1205/C.B. dated September 12, 1940, I have the honour to enclose a copy of a D.O. letter No.FR.C. 42/40-41 dated September 18, 1940, together with its enclosures, in original, received from the District Superintendent of Police, Shimoga.

The enclosures received with your letter under reference, are herein returned as desired.

I have the honour to be,

Sir,

Your most obedient servant,

E G B Peel

INSPECTOR-GENERAL OF POLICE.

D.O. letter No.Fr.C.42/40-41 dated 18th September 1940, from the District Superintendent of Police, Shimoga, to the Inspector-General of Police in Mysore, Bangalore.

With reference to your D.O.No.C.C.23/40-41 dated 13th September 1940 regarding the alleged brutal treatment by the Inspector of Police at Bhadravati to Mrs.Homolka, I submit that I made careful enquiries on the spot and enquired Messrs:Dharmaraju and Gopala Rao cited as witnesses by Mrs.Homolka as well as the Provincial Reserve Police Constable No.105 Anthony. In addition to these I have also recorded the statements of George, Motor Driver of the Mysore Paper Mills Car as well as Mrs.Homolka's servant Anthony who were at the spot when Mr.Homolka was removed.

As per D.O. dated 9th June 1940 from the Inspector-General of Police in Mysore, Bangalore, necessary instruction were given to Mr.Homolka on 10th June 1940 about the luggage he has to carry to the Internment Camp. On 15-6-40 I proceeded to Bhadravati with the Police Inspector of Bhadravati and asked Mr.Homolka to get into the car for being sent to the Internment Camp. He was given enough time to pack up his things since he had been intimated about his removal on the 14th alone. He had packed up his things as well as those of his wife and daughter and persisted that he will not come out of his house if he was not allowed to take his wife and daughter along with him to the Internment Camp. He was apprised of the Order of Internment which was meant only for him and that there was no order to take his wife and daughter also. All on a sudden his wife Mrs.Homolka behaved in a very rude manner and started abusing the Police that were there on the spot. She was advised to keep quiet and Mr.Homolka had to be removed by force to the car as it was getting time to catch the train. Mrs.Homolka tried to rush out of the house and follow her husband. She was prevented from doing so and the car was driven away. She and her daughter immediately rushed inside and bolted the doors bawling out at the top of their voice. The same fact was intimated

to the District Superintendent of Police, Railways & C.I.D. in Mysore in C.C.No.279/39-40 dated 15th June 1940, a copy of which is enclosed. I have also made a mention of the behaviour of Mr. and Mrs.Homolka in my weekly diary for the week ending 15th June 1940, an extract of which is also enclosed.

Her own witnesses Dharmaraju and Gopala Rao say that they were not present at all at the time and that they know nothing about this occurrence. Police Constable Anthony denies entirely the allegations and speaks to the rude behaviour of Mrs.Homolka. The other two witnesses namely, Anthony, servant under Mrs.Homolka, and George, driver of the Paper Mills Car which took Mr.Homolka to the Station completely deny the allegations and say that the Police Inspector never returned to Mrs.Homolka's house after his departure with Mr.Homolka to the Railway Station. Their statements are also enclosed. Mrs.Homolka wrote to me two letters on 23-6-40 and in both the letters she never complains of any ill-treatment by the Police Inspector; copies of the letters are enclosed.

There is an Assistant Surgeon and a Lady Doctor attached to the Iron and Steel Works and the Paper Mills, to whom Mrs.Homolka could have gone and got herself treated if she really had such contusions as alleged in her petition. The Assistant Surgeon as well as the Lady Doctor, both say that they never received any complaint from Mrs.Homolka and never treated her. The Mid-wife attached to the Paper Mills has gone and treated Miss Homolka, only for some trivial stomach-ache after Mr.Homolka was taken away from his house. Mrs.Homolka has never complained even to her. The statement of the Mid-wife is enclosed.

Now coming to the allegations, particularly those mentioned in the D.O. I beg to state as follows:-

Regarding allegation(1) as stated above, this is entirely false, specially in view of the fact that I myself was present when Mr.Homolka was taken and the Inspector was sent in advance in the car in which Messrs:Homolka and Kriegbaum were taken to the Railway Station. Hence there could not be any such assault on Mrs.Homolka by the Police Inspector.

(2) There is no truth in her saying that four policemen were kept inside the house from Saturday and followed Mrs. and Miss Homolka from room to room. The statement of the driver George as well as of her own servant Anthony clearly show that there was no such arrangement except guarding them from outside by the Reserve Constables.

(3) During the first internment when Mr.Homolka was taken away, I myself searched their houses and gave effect to the order for removing them. Mrs.Maronne was never requested to go and search her house. Their statement is entirely false.

(4) Regarding Mrs.Homolka's dog, she wanted permission to take it along with her but I told her that I can give no such permission as there was no provision to take anything except the articles required. She was permitted to leave the dog with any of her friends but she was not able to find any friends to keep the dog. Hence the Inspector was requested to keep and send it to her if she obtained the permission from the officer in charge of the Parole Settlement. She has written a letter to the Inspector on 25-7-40 with a money order for Rs.5 to send her dog to Yercaud. The Inspector has replied that she has to make some arrangement to take it from Bhadravathi as the Railway authorities do not take the responsibility of feeding the dog and take care of it during transit. She has replied again on 4-8-40.

- -

Finally she has sent a boy on 13-9-40 and the dog was duly handed over to him. The Inspector has sent back Rs.5/- after deducting the money order charges on 14-9-40. The copies of the correspondence between her and the Inspector are enclosed. Her letters themselves show what treatment she was really getting from the Police Inspector.

In conclusion I submit that it is rather strange that Mrs.Homolka kept quiet for nearly one month and all on a sudden took it to her head to give a statement after one month regarding her alleged treatment. If she had been rudely handled she could have complained either to the Commissioner of Police, C & M Station, to whom she was handed over by Mr.Penn or to the Officer in charge of the Parole Settlement immediately she was taken there. She has done neither of these. All her allegations are unfounded and frivolous.

In confirming the marginally* noted telegram of even date, I have the honour to state that Messrs. Mr. Homolka and his wife gave lot of trouble as they wanted that the whole family should be sent to the Detention Camp. Mr. Homolka had to be taken out by force and despatched. Mrs. Homolka is giving lot of trouble for the staff that is posted there to keep a watch over her. I think it is advisable to shift both the - ladies Mrs. Kriegbaum and Mrs. Homolka with Miss Homolka (Mrs. Homolka's daughter) to some detention camp.

Both Mrs. Homolka and Mrs. Kriegbaum are complaining that they have got no money and that they urgently want some money for - their maintenance. I request you to kindly take action to provide them the necessary maintenance allowance as was done on the last occasion.

With reference to your D.O. letter No.F.69-40/E dated 4th September 1940, regarding the alleged ill-treatment of Mrs. Homolka by the Bhadravati Police, I am desired to enclose herein for information a copy of the report of the District Superintendent of Police, Shimoga, in the matter. It will be seen from the enquiry made that there is no substance in the allegations made against the Police at Bhadravati.

The enclosures received with your above letter are returned herewith as desired.

Captain D.H. Biscoe,
Officer on Special Duty,
The Residenty, Bangalore.

Report of the District Superintendent of Police, Shimoga, regarding the alleged ill-treatment of Mrs.Homolka.

With reference to your D.O.No.C.C.23/40-41 dated 13th September 1940 regarding the alleged brutal treatment by the Inspector of Police at Bhadravati to Mrs. Homolka, I submit that I made careful enquiries on the spot and enquired Messrs. Dharmaraju and Gopala Rao cited as witnesses by Mrs. Homolka as well as the Provincial Reserve Police - Constable No.105 Anthony. In addition to these I have also recorded the statements of George, Motor Driver of the Mysore Paper Mills Car as well as Mrs. Homolka's servant Anthony who were at the spot when Mr. Homolka was removed.

As per D.O. dated 9th June 1940 from the Inspector-General of Police in Mysore, Bangalore, necessary instructions were given to Mr. Homolka on 10th June 1940 about the luggage he has to carry to the Internment Camp. On 15th June 1940 I proceeded to Bhadravati with the Police Inspector of Bhadravati and asked Mr. Homolka to get into the car for being sent to the Internment Camp. He was given enough time to pack up his things since he had been intimated about his removal on the 14th alone. He had packed up his things as well as those of his wife and daughter and persisted that he will not come out of his house if he was not allowed to take his wife and daughter along with him to the Internment Camp. He was apprised of the Order of Internment which was meant only for him and that there was no order to take his wife and daughter

also. All on a sudden his wife Mrs. Homolka behaved in a very rude manner and started abusing the Police that were there on the spot. She was advised to keep quiet and Mr. Homolka had to be removed by force to the car as it was getting time to catch the train. Mrs. Homolka tried to rush out of the house and follow her husband. She was prevented from doing so and the car was driven away. She and her daughter immediately rushed inside and bolted the doors bawling out at the top of their voice. The same fact was intimated to the District Superintendent of Police, Railways & C.I.D. in Mysore in C.C.No.279/39-40 dated 15th June 1940, a copy of which is enclosed. I have also made a mention of the behaviour of Mr. and Mrs. Homolka in my weekly diary for the week ending 15th June 1940, an extract of which is also enclosed.

Her own witnesses Dharmaraju and Gopala Rao say that they were not present at all at the time and that they know nothing about this occurrence. Police Constable Anthony denies entirely the allegations and speaks to the rude behaviour of Mrs. Homolka. The other two witnesses namely. Anthony, servant under Mrs. Homolka, and George, driver of the Paper Mills Car which took Mr. Homolka to the Station completely deny the allegations and say that the Police Inspector never returned to Mrs. Homolka's house after his departure with Mr. Homolka to the Railway Station. Their statements are also enclosed. Mrs. Homolka wrote to me

two letters on 23rd June 1940 and in both the letters she never complains of any ill-treatment by the Police Inspector; copies of the letters are enclosed.

There is an Assistant Surgeon and a Lady Doctor attached to the Iron and Steel Works and the Paper Mills, to whom Mrs. Homolka could have gone and got herself treated if she really had such contusions as alleged in her petition. The Assistant Surgeon as well as the Lady Doctor, both say that they never received any complaint from Mrs. Homolka and never treated her. The Midwife attached to the Paper Mills had gone and treated Miss Homolka, only for some trivial stomach-ache after Mr. Homolka was taken away from his house. Mrs. Homolka has never complained even to her. The statement of the Midwife is enclosed.

Now coming to the allegations, particularly those mentioned in the D.O. I beg to state as follows:-

Regarding allegation (1) as stated above, this is entirely false, specially in view of the fact that I myself was present when Mr. Homolka was taken and the Inspector was sent in advance in the car in which Messrs. Homolka and Kriegbaum were taken to the Railway Station. Hence there could not be any such assault on Mrs. Homolka by the Police Inspector.

(2) There is no truth in her saying that four policemen were kept inside the house from Saturday and followed Mrs. and Miss Homolka from room to room. The statement of

the driver George as well as of her own servant Anthony clearly show that there was no such arrangement except guarding them from outside by the Reserve Constables.

(3) During the first internment when Mr. Homolka was taken away, I myself searched their houses and gave effect to the order for removing them. Mrs. Maronne was never requested to go and search her house. Their statement is entirely false.

(4) Regarding Mrs. Homolka's dog, she wanted permission to take it along with her but I told her that I can give no such permission as there was no provision to take anything except the articles required. She was permitted to leave the dog with any of her friends but she was not able to find any friends to keep the dog. Hence the Inspector was requested to keep and sent it to her if she obtained the permission from the officer in charge of the Parole Settlement. She has written a letter to the Inspector on 25th July 1940 with a money order for Rs.5/- to send her dog to Yercaud. The Inspector has replied that she has to make some arrangement to take it from Bhadravati as the Railway authorities do not take the responsibility of feeding the dog and take care of it during transit. She has replied again on 4th August 1940. Finally she has sent a boy on 13th September 1940 and the dog was duly handed over to him. The Inspector has sent back Rs.5/- after deducting the money order charges on 14th September 1940. The copies of the correspondence

between her and the Inspector are enclosed. Her letters themselves show what treatment she was really getting from the Police Inspector.

In conclusion I submit that it is rather strange that Mrs. Homolka kept quiet for nearly one month and all on a sudden took it to her head to give a statement after one month regarding her alleged treatment. If she had been rudely handled she could have complained either to the Commissioner of Police, C.& M. Station, to whom she was handed over by Mr. Penn or to the Officer in charge of the Parole Settlement immediately she was taken there. She has done neither of these. All her allegations are unfounded and frivolous.

Statement of Mrs. Homolka of Lake View Cottage, Yercaud.

My husband, R. Homolka, was working in the Mysore Paper Mills, Bhadravati for the past 1½ years. Last August, my husband was sent to the Ahmednagar Camp but was released in November. During his stay there my daughter and I had great difficulty to live for want of money. So much so, when my husband got orders again in June this year to go to Ahmednagar he decided to take us along with him. So we packed our things and were ready. But on the day before my husband was taken again, the Police Superintendent told him that only he was to go and not us. On the day my husband was taken about 15 Police officers including the Superintendent, Inspector and others. My husband again requested the Superintendent to let him take us along with him, but the Superintendent refused and told some of the Policemen to seize my husband- They caught hold of my husband's arms and showed him out of the house and along with the Superintendent marched him away. The Inspector was still on my verandah with some Policemen. I requested him to allow me and my daughter to wish my husband goodbye. Even though we begged him to allow us to say goodbye, the Inspector would not, but instead in anger he pushed my daughter inside our house and struck me a blow on my head with his hand. My hat fell off. He then beat me a couple of blows on my face and body and back caught hold of my left arm and twisted it and showed me inside and locked the door and kept 4 Policemen inside with us. All this happened on a Saturday. The whole of Saturday and Sunday these 4 Policemen were kept inside my house guarding us and would not permit us to go out of our house and were followed us to every room we went. I protested against such behaviour and on Monday these 4 Policemen

went outside and stayed outside till we left for Yercaud. But eva then they would not permit us to leave our house and kept it locke up. In the meanwhile, my left fore arm got swollen and blue and I was very ill even my face was swollen and red from the blows the Inspector gave me.

The cause for this sort of treatment from the Inspector is I think, due to the fact that when my husband was first taken away this Inspector came xxxxxx over to my house with a German lady Mrs. Maronne and she was permitted by the Inspector to go through everything we had. I then protested and said that the lady was as much an internee as I and she was an enemy of our country also. and why should she be permitted to do what was the police work. I told the Inspector that he was at liberty to go through all I had but Iwould not permit the German lady to go through my article xx etc. I also accused the Inspector being Nazi minded and ever since then this Inspector has been very rude and harsh with us.

When we were coming to Yercaud he took away our dog. So after I came here I sent him Rs.5/- to send it and he replied it was ready to be sent but I fear this Inspector has done away with my dog now as I have not heard from him since.

Mr. Dharmaraju working in the Mysore Paper Mills Ltd., Bhadravati and Mr. Gopala Rao who was teaching my daughter English saw my left fore-arm and the bad condition it was in. Even a Policeman named Anthony of Shimoga know all about the assault on me. He was present at the time.

ENEMY SUBJECTS.

SIR,

I am directed to say that Brother Giovanni Gardenal (Registration No.91/Malabar), an Italian Priest attached to St.Joseph's High School, Calicut, has been an inpatient in St.Martha's Hospital, Bangalore City, since July 1939, undergoing treatment for tuberculosis. The Government of India's orders regarding him are that on discharge from hospital he should return to his religious house in Calicut and that his treatment thereafter should depend on the recommendation of the Civil Authority there.

2. It is understood that Brother Giovanni Gardenal has almost recovered and could now be discharged from hospital. The Apostolic Delegate at Bangalore has applied to this Residency for permission to send him to the Theological College at Kurseong in the Darjeeling District, to prosecute his religious studies. He has been informed that you are being consulted regarding Brother Giovanni Gardenal's return to Calicut or transfer to Kurseong.

3. As very little is known here about Brother Gardenal's history, I am to enquire what precautions, if any, are necessary during his journey. He has not come to adverse notice while

in

in Bangalore.

4. Should it be possible for you to arrange with the Civil Authority, Darjeeling and the Government of India for him to proceed direct from here to Kurseong he would be saved the journey to Calicut.
